CATEGORIES OF MEMBERSHIP

In all other respects the two categories enjoy identical membership status. There may be only one Associate Member per address.

DURATION OF MEMBERSHIP

Membership runs from the date you join until 31st December the same year, but if you join after 30th September your membership will run to the end of the following year. Thereafter, subscription renewal is payable on 1st January each year; your membership will cease if your subscription is not paid by 31st March.

After you've been a member for a whole year, you may apply for Life Membership for a one-off fee of £160.
